Minutes of Governing Council meeting held on 17th March 2020 at
10.30AM in Principal chamber

The following members joined the meeting:

- 1) Sri. T K Nanjundappa (Chairman)
- 2) Dr.Shivakumaraiah (Rep. of Management)
- 3) Sri. Gangadharaiah.T (Rep. from Society)
- 4) Dr.D.N.Yogeeswarappa (Coordinator, SSES Degree Colleges)
- 5) Prof. Anil Kumar. M (NAAC -Coordinator)
- 6) Prof.C.S.Somashekharaiiah (IQAC Coordinator)
- 7) Prof. G C Mallikarjunaiah (Senior Faculty)
- 8) Prof. Rudramuni.S.V(Senior Faculty)
- 9) Dr. N. Prasanna Kumar (Senior Faculty)
- 10) Dr.R.Anandakumari (Principal&Convenor)

The following members could not join the meeting:

- 1) Sri T.M.Swamy
- 2) Prof.Parashivamurthy

Honorary Secretary of SSES Sri T.K.Nanjundappa presided the GC meeting.

Dr.R.Ananda Kumari, Principal, welcomed all GC members, followed by a detailed power point presentation to update about the various activities in college since the last Governing Council meeting. Her presentation gave further information about student strength, result analysis, activities conducted by all the departments and different cells of the college

Then the items on Agenda were sequentially discussed:

1. Remedial Classes engaged in the college were discussed.

Arts students are not attending remedial classes regularly. Hence, best teachers must be engaged for remedial classes

Because of the covid pandemic, regular remedial classes could not be conducted during this academic year. But some students who are weak in subject topics, voluntarily took guidance from teachers. For that record hits been maintained.

2. Peer learning should be introduced in the coming semester with selected peer students.

Again because of the pandemic, this could not be introduced in this semester. However, it will be taken up in the coming semester.

3. Certificate courses should be made compulsory. Certificate courses from JanashidhanaSamste (Artificial Jewellery and embroidery) can be organized.

Following the discussion with our secretary, fees has been collected for conduction of Tally certificate course for BCom students. As students were having online teaching, course could not be conducted in this semester.

4. Permission to start IAS and KAS coaching with own resources and for other competitive Exams

Yet to be implemented

5. Students project should be encouraged. Each department has to produce at least one project from students.

Some departments have undertaken - Botany, English, Biotechnology

6. Secretary noticed that the English department had conducted less activities

In this semester they have organized four days webinar for college teachers and students

7. Analyse the Failure analysis by department teachers for the followup

Departments have taken up this work

8. Two teachers should be engaged for each subject instead four for Science students

This has been implemented

9. More Tutorial classes should be engaged in Mathematics, Chemistry and Physics.

Result should be increased by analysing in the department with faculty members

Report of activities conducted in Adopted Village

Adoption of a village and area is a very meaningful programme in NSS. It is far better to concentrate attention on one village and take up the task for development perspective, than to fritter away energy in many locations involving too many activities which may not be completed at all or where the follow up action may not be possible. From this point of view, village adoption programme should ensure continuity of work vis-à-vis sustained action, evaluation and follow up work.

As a first step in this programme, it is necessary to establish contact with more than one village which would help to select a village where 'Leadership' is well established. In other words, selecting a village with proper leadership is very important as the sustained follow up action and evaluation is ensured in such places. To start with, the NSS unit can take the help of, Gram Panchayat Officer, for the selection of the village. It is to be noted that the selected villages should be within a short distance from the college so that constant contact can easily be made.

Like that the NSS units of college adopted Ayyanapalya village, Tumkur (T) is 14 kms from our college. It is a backward village which has the people below poverty line. It is a socially, economically, culturally and educationally backward village. So we planned to enhance their education and social status of the village. In this regard, we inaugurate social activities in the village by making MOU Mydala gram panchayat on 31-5-2023. In this function, Smt. Mala Manjunath, President, and Sri. K.S. Narasimha Murthy, Wise President, Sri Mohankumar, PDO of Mydala Gram Panchayat, the members of Gram Panchayat Smt. Vanitha Chandrashekar, Sri K.N. Kumbhaiah, Smt. Bhgayamma and Smt. Shobarani were also present. Dr. H. P.Veerabadrswamy, Principal of our college presided the function. On the same day NSS volunteers cleaned the streets of the village and educate about maintenance of cleanliness among the villagers.
