## Memo for Students

Education helps in Overall development of Students. As a student support service counseling cell plays a Virtual role in institution.

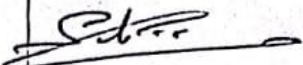

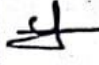

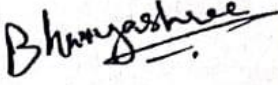

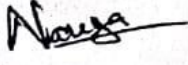

The objectives of counseling cell is to help the Student to overcome trauma, self acceptance addiction, mood swings, depression, anger management, mental disorder, Examination anxiety and so on.

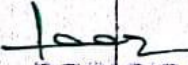

Personality development is looking in-wards and focusing on ways to better yourself health and counseling cell helps the students to develop self awareness, self esteem, self confidence time management, build leadership qualities, memory management in stress and fulfill your aspirations by providing counseling.

The college has arranged counseling sessions every tuesday in assistance with a counselor from Government Hospital Tumkur, Psychiatrist and Psychologist visits our health center between 2 pm to 4 pm. Students who are in need of counseling can enroll their names to their respective proctors. the consulting timings will be intimated to students by your proctors.
