# Role and Responsibility of Admission Committee

Principal is the  
chairman of the  
Admission Committee  
and all the Department  
HOD's are the

members. The college admission committee calls for a meeting to discuss the rules and regulations at the beginning of every academic year.

At the end of every academic year, our

admission committee  
visits PU colleges in  
and around the  
Tumakuru District. We  
inform them about our  
excellence. At the wake  
of second PUC results,  
our college authority  
advertises for the

admissions through  
print media and  
electronic media.

After the announcement  
of the second PUC  
results, College  
authority issues the  
applications and  
prospectus.

Every year, around  
1500 applicants seek  
admission to our  
college. The college  
receives filled  
applications from the  
students and scrutinises  
and segregates on the

basis of merit and category. Then provisional list of all applicants will be displayed on the college notice board.

1<sup>st</sup> provisional list will be announced. It will be

followed by 2<sup>nd</sup>  
provisional list for the  
remaining seats.

Finally, 3<sup>rd</sup> list will be  
announced within a  
week.

At the time of  
admission, admission

committee members  
counsel the students  
along with their parents.  
priority is given to  
meritorious students as  
well as economically  
weaker students. Every  
year, our college  
Alumni pays the fees

for the economically  
weaker students.
