Department of Biotechnology

Objectives of Visit: Educational tours to industries provide an opportunity for students to see and experience real workstations, plants, machines, systems, assembly lines, and interact with highly trained and experienced personnel.

Details of the Visit: : On 31st Jan 2023 we organized Industrial visit to Manipal Natural Pvt Ltd, Dabaspet. For final year CZBt students. (Girls-13 , Boys-15).

On 22nd June 2023 we organized Industrial visit to Akshayakalpa Farm, Tiptur. For final year CZBt students. (Girls-12, Boys-11).

Outcome of the Visit: In the Manipal Natural they extract the herbal products from natural sources like Bacopa monnieri, Turmeric, Amla. The extracted products are made into powdered forms, then it is supplied to the customers that will be used for pharmaceuticals, cosmetics, nutraceuticals. They explained overall flow during the industrial visit.

In Akshayakalpa Farm Students learnt about Apiculture or beekeeping in farm, Kitchen compost, Vermi compost and NADEP compost. They grow variety of vegetables, fruits and coconut trees using their own made compost, organic fertilizer and biopesticides. They do maintain their own cow farm, there they extract milk and they will prepare milk products like buttermilk, butter, ghee, chess, paneer. They also collect milk from farmers and carry on same process.
