Department of Economics

Annual report: 2019-20

Students require a solid understanding of economics to effectively manage significant responsibilities and engage in business activities within their families. The importance of economics knowledge lies in its ability to enhance business skills. Learning economics extends beyond exam preparation; it equips students with life skills to navigate societal responsibilities adeptly. We take immense pleasure in sharing that the results of 2019 and 2020 have brought great satisfaction, with final-year students achieving remarkable scores of 92% and 98% in two respective subjects. Congratulations are in order for their exceptional achievements.

On 08/02/2020, Dr. Ramesh Salian, Deputy Registrar of Tumkur University, delivered a specialized lecture concerning the Role of Information and Communication Technology in Agricultural and Rural Development. Additionally, our Head of the Department, Dr. Mohan Kumar, gave a lecture at Union Christian College on World Population Day. He also actively participated in a special seminar hosted by Sree Siddaganga College, Nelamangala, delivering a lecture on Population and Development. At the commencement of the academic year he played the role of coordinator in conducting the induction program for all first-year students.

Department of Economics

Annual report: 2020-21

The Department of Economics organized two special lecture events in 2021. On 13th February 2021, Dr. Rashmi B, an Associate Professor at Maharaja College, Mysore, delivered a lecture about the Union Budget.

On 12th July 2021, Prof. K. Sivachithappa, the Registrar of Tumkur University's Administration, spoke about the message in the Population Day 2021 mission statement, which focuses on Rights and Choices.

The highest scores in the final BA 6th semester were 85% and 100% for first-class and distinction marks, respectively. Special congratulations go to Nagaraja, who not only ranked seventh in the arts section but also emerged as the top economics student in the university.

Despite successfully teaching the entire syllabus online, we also conducted offline classes towards the end of the semesters, due to the COVID-19 situation.

Mr. BR Mohan Kumar, the Head of the Department, delivered a lecture on India's New Agricultural Policies in a special program at K. C. Sivananjaya Memorial, representing the District Center for Economic Studies. He also participated in a NAAC training workshop at Siddhartha First Grade College in the city.

Dr. HP VeerabhadraSwamy, belongs to the Department of Economics, has been appointed as the college's Principal, further enhancing the department's academic strength.

We hope for a return to normalcy soon, which is essential for the economic and educational progress of our country.
