Department of Computer Science

Objectives of Visit: The main objective of industrial Tour was to bridge the gap between classroom teaching and practical working environment and to bring in some positive intangible changes to the personalities of students which results from long distance group travel and industrial visit.

Details of the Visit: Industrial visit to system consultant information India private limited (JAPAN origin company) final BCA students with the strength of 63 students.

Outcome of the Visit: industrial visits also seem to present networking opportunities for the students with the company's HR, thereby increasing the opportunities for internships, placements, etc., for students.
