

# **NITHYA DASOHA (MID DAY MEAL) Scheme**

## **VISION**

“ No Students in Institute shall be deprived of Education due to Hunger”

## **MISSION**

To Provide Free Lunch to the needy Studens

## **Objectives of the Practice**

- To encourage the students from under privileged and economically backward classes’ to pursue higher education.
- To ensure that the students are provided with nutritional support while pursuing their higher education.
- Improve students’ attendance and enhance academic performance.

## **The Context**

Many students come from very poor background and rural areas to our college. These students could not afford to bring lunch boxes. Some of them travelling from remote places find it difficult to have food in the afternoon. They will not be able to have breakfast as their parents go to work early in the morning. They attend the classes from morning till evening; it results in attention deficit and

low academic performance. To plug this problem, the teachers of the college initiated the mid – day meal scheme for the benefit of such students.

This programme was started in August 2018, under the guidance of the principal, Dr. R Anandakumari, Smt. Padmaja Y. M. Took the responsibility as convener of this committee.

In 2018-19, 23 students, in 2019-20, 32 students, in 2020-21, 10 students, 2021-22, 43 students, and 23 students in 2022-23, with another 38 students were benefitted by this program.

### **The Practice**

The applications will be invited from the students to enroll their name to get the benefit of this program. Midday meal committee that comprises of the principal, IQAC coordinator and some senior professors of the college will counsel the students. First they address the students in group and later they counsel every deserving student. Selection is made considering the economic status of the students.

Every day token will be issued in Kannada department. Sri Siddaganga Canteen of our college provides food for those students. The food will be served in the lunch break between 12 to 12.30 pm on all working days. If the beneficiaries of this program are irregular to classes or fail in the exams, will be exempted from this scheme.

### **Evidence of Success**

It improved students' attendance and their academic performance in a remarkable way. Dropout rate of students has become minimal. Students have responded to the program in a remarkable way. Parents have appreciated this arrangement.

## **Problems encountered and Resources Required**

The biggest challenge was to identify deserving candidates. Many students requested for the facility. We have also noticed that some students have misused the scheme. Obtaining financial resources was yet another challenge. Philanthropists, alumni association and the staff members of the college helped generously to overcome the challenge.

## **Inspiration for Midday meal scheme and its execution**

Mutt was the inspiration behind starting mid day meal program. We started it in the year 2018 for the economically backward students. Many students come from remote places. They attend classes from morning till evening; it results in attention deficit and low academic performance. To plug this problem, the college initiated the mid – day meal scheme for the benefit of such students. In August 2018, under the chairmanship of the principal, Dr. R Anandakumari, the college started this program. Smt. Padmaja Y. M. Is the convener of this committee.

## **Committee Members:-**

The committee was formed under the chairmanship of Dr. R Anandkumari, principal of our college with Smt. Padmaja Y M as the convener. C.S. Somashekaraiyah, Dr. H. P Veerabadrswamy, Basavaraju, K.S. Geethanjali, Khalida Kanam A, Leelavathi H, Pushpalatha and Chandrika and some student representatives were the members

The committee was reframed in 2019. With Dr. R Anandkumari, as chair person and Padmaja Y M, as convenor. C.S. Somashekaraiyah, K.S. Geethanjali, Basavaraju, T. B. Nijalingappa, Rekha H, Asharani R S, Sapta, Chandrika. And Student representatives Rangaswamy K S, Shobith, Durga Prasad, Sreenivasa U, Tejas L K, Rudresh were the members.

R., Basavaraju, Somashekar L R, Rekha H, Rathanamma Y S. And Student representatives Tilak, Roopa V, Puneeth, Yogesh N, Thejas L K., Nandan were a part of the committee.

Every day token will be issued at Kannada department. Sri Siddaganga Canteen of our college provides food for those students by collecting token from those students. The food will be served during the lunch break between 12 to 12.30 pm on all working days. Varieties of food is provided every day. The menu includes Bisibele bath, Tomato bath, lemon rice, rice and sambar, Palav, and Idli The token collected by the students will be handed over to the convener of this scheme. The convener consolidates the tokens and maintains the account of students. Cheque will be issued once the bill is submitted by the canteen.

## **Nitya Dasoha Scheme Report-2022-2023**

**Dr. Padmaja Y.M.**

We Influenced by SRI SRISRIShivakumara Maha Swamiji's Anna DasohaKainkarya, mid-day hot meal for the poor students of Sri Siddaganga College of Arts, Sciences and Commerce was started in 2018 in the name of Nitya Dasoha Yojana and has been going on continuously till now without any interruption. This scheme can especially benefit the poor students from rural areas and poor students from urban areas. This is being done in collaboration with Alumini association of our college. Applications are invited from students at the beginning of each academic year. Nitya Dasoha Committee will select the eligible students by conducting counselling. Dasoha system is provided for selected students in Sri Siddaganga Canteen excluding holidays. Token will be distributed in Kannada Department daily from 12-12:30 PM. A variety of clean and delicious meals are served every day. The committee monitors the cleanliness and quantity of food served in the canteen. Besides, attention is paid to the academic progress of the candidates. If the beneficiary students fail, the scheme will be discontinued for such students. The students of Nitya Dasoha have made good progress in learning and in 2019 a B.Sc student named Rangaswamy has also secured 9th rank. It is the pride of the college and the pride of the committee that currently Shivraj B. A student has secured 7th rank in 2022. 43 students will be selected for this scheme in the academic year 2022-23. I conclude the report by wishing that these students are ahead in their studies and will continue to make good progress
