Google answers

Best

Please provide full internals

College ground

Give time to prepare for final exams

First teachers should understand the student's ability and disability

We want experienced teachers

And they should use projector while teaching that is very useful to us

Internship program to be conducted

No comments

good teaching lectures and good environment

Providing the study material

Improve in parking area

Conducting regular tests, maintaining cleanliness in institution(mopping is must in every room), smart boards in every room.

Use more smartclass that help to understand us better

Add extra outside activities for students related to syllabus and give English language preyority

Good 👍

Start small think big

It would be better if they teach students with a present examples of the topics

Make use of LCD projector more

Improvement in practical class

- 1)Give us more examples to understand the topic.,
- 2)Give importance to every student in the class room ,
- 3) unit test should be conducted compulsory

Use smart classes

Teaching improve madodu en beda sir channage ide, play ground improve made 🙏

Improve canteen facility,

Improve canteen facility,

Reduce the stress of assignment to the students , Increase the language, give the internals

Nice

Good teaching

Good Communication with students

Good facilities are provided

Labs, playground wifi

Lecturer take revision classes

Teaching is good

Tbh nothing, all is well

Sports activities

Lecturer Revision class

Should make more use of projectors.....

to provide more information about syllabus
to give the more facility from the institution

By giving more and more examples
By using the projectors
Adding of field visits and industrial visits

By giving more and more examples
By using the projectors
Adding of field visits and industrial visits

There is so much problem. Pick up to this generation is the best solution

College is good facility to teaching, and sports facility is also good

Goal

nothing

Please appoint good teaching faculty and use the projector in class room.

Should not give more assignments and home work
And should give an ideas to think differently
Improve student teacher relationship which help to attend class regularly

Please try to explain us everything in English because it's good for our career

Makes it easy to understand

Overall good experience in this institution

Its all good

Reduce dictating notes in class
Syllabus to be covered as soon as early as possible

All teaching is good
There is no suggestions
All is well

Everything is ok

To keep up the punctuality and more concentration to the important topics

Often make English conversation with students

nothing

Increase the classes for each subject

To improve the best teaching.

Everything is okay

Everything is good about teaching And faculties

1 Teaching well but they discussed unwanted information to talk with students must stop it
2 classes must change and morning session
3 when change the class timings and then students are comes regularly

Supporting in education

Motivate us , encourage us

good teaching in

Plz celebrate the graduation day .

- 1.Audio vedio usage should be increased while teaching.
- 2.student centred learning.

explain Briefly

Sometime fast teaching

Give more example to understand a topic

For us need smart board teaching

More and good qualified equipment in I

The botany department has no coordination at all so please do inform them to improve it.

Asharani mam of botany department is not teaching at all she just read the notes which can be done by ourselves and she will leave out the concepts which are bit tricky.

Improve the cleanliness of washrooms.

Syllabus is needed to be completed efficiently.

Revision and Tips to perform in attending answers is appreciated.

Lacking curriculum activities related to field of study.

It's good

Please provide notes in time

Playground, canteen, Garden

Conversation between teacher and student should be effective.

Please undergo students with campus selection

Is good

Very good institution

Improve the smart class

Give importance to ppt presentation

Your teach basic concept deeply

Encourage students skills and encourage

Please use projector it is installed but not even turn in one time

Use more technology

Sharaths
